□ = FORWARD FOCUS

This is the primary area of focus for current and future Alliance ministries. It also includes Alliance work in 30 creative-access countries that cannot be identified for security reasons.

THE NEW FACE OF ALLIANCE MISSIONS

A majority of Alliance workers now live among under-reached peoples, establishing a meaningful, impactful gospel presence by serving communities in a variety of ways that are valued. From this foundation, gospel witness may be extended, disciples made, and churches planted. Ministries are intentionally broad and varied, yet serve the goal of forming reproductive church networks that do it all over again! This is the new face of Alliance Missions.
